COCA May Showcase

A new performance opportunity for intermediate dance students at COCA

Over the course of six weeks, students learn and rehearse a piece for a culminating performance in COCA’s brand new Berges Theatre in MAY 2020. This introductory experience is a wonderful way for students to experience the commitment, collaboration, and personal discipline required to prepare for a performance. It is perfect for students interested in joining one of COCA’s Ensembles someday or those interested in simply learning more about live performances. To participate, students need to register for a weekly Showcase Rehearsal Class, which begin the week of MAR 29.

REHEARSALS: MAR 29–MAY 12, 2020
Additional technical rehearsals for all participants are scheduled in the evenings during the performance week.

PERFORMANCES: MAY 13 & 14, 2020  |  7:00PM
Each student receives two tickets.

$150/STUDENT
Space is limited to 20 students per Showcase Rehearsal Class.

## COCA’S EDUCATIONAL APPROACH

At COCA, we place great emphasis on the student-teacher relationship and value a process-based approach rooted in Studio Habits of Mind (SHOM), a framework developed by a research team from Project Zero at the Harvard Graduate School of Education. SHOM helps to define quality teaching and learning across disciplines, sites and programs, and provides a common language for COCA staff, faculty, students and the community.

### DEVELOP CRAFT

Learning to use tools, materials and artistic conventions, and learning to care for tools, materials and space.

### ENGAGE & PERSEVER

Learning to embrace problems of relevance within the art world and/or of personal importance; learning to develop focus conducive to working and persevering at tasks.

### ENVISION

Learning to picture mentally what cannot be directly observed, and learning to imagine possible next steps in making a piece.

### EXPRESS

Learning to create works that convey an idea, a feeling or a personal meaning.

### OBSERVE

Learning to attend to visual contexts more closely than ordinary “looking” requires, and thereby learning to see things that otherwise might not be seen.

### REFLECT

Learning to think and talk about the work of one’s own or other work; learning to judge one’s own work, working process and the work of others.

### STRETCH & EXPLORE

Learning to reach beyond one’s capacities, to explore playfully without a preconceived plan and to embrace the opportunity to learn from one’s mistakes.

### UNDERSTAND ARTS COMMUNITY

Learning to interact as an artist with other artists—in classrooms, in local arts organizations and across the arts field—and within the broader society.

## DIVERSITY & INCLUSION STATEMENT

COCA is committed to actively and intentionally operating as an anti-bias, anti-racist institution. As such, we promote policies, practices, and programs that create courageous spaces for our COCA community to dialogue toward understanding.

We know art is a powerful instrument for social justice. It is a means for people to share history, culture, and perspectives, celebrate differences, challenge assumptions, and find common ground. We aim to be a home to people from all backgrounds. We do not discriminate based on race, national or ethnic origin, citizen status, veteran status, ancestry, age, religion, disability, sexual orientation, gender identity, or any other basis of discrimination.

COCA is dedicated to advancing anti-bias, anti-racist work as we grow. As a learning institution, we understand that this work is an iterative journey. We will continue to evolve our strategies in collaboration with our communities in order to remain relevant and impactful.

WHAT IS COCAPLAY?
COCAplay is a free program designed to help your little ones stretch their creative muscles.
