

Each student is allotted TWO make-ups per semester (per student, not per class). These are for classes missed for personal reasons. Any COCA canceled class will be given a separate make-up option. All students can take a make-up for their level or the level below their class. All make-up classes must be completed by April 1st, 2020. ****Please contact registration or the front desk to schedule your make-up class****
